Subject: Regarding supply of quotations for instruments of surface observatory.....

In context to subject cited above, it is to state that, we at KNP College of Veterinary Science, Shirwal, Dist- Satara (MS) have to establish surface observatory at piggery unit of the College to record information on parameters like temperature, humidity, wind speed and direction and rainfall etc

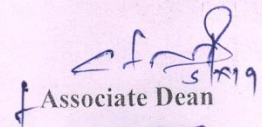

Following are the details of instruments required.

| Sr. No. | Name of the equipment | Note |
|---------|--|--|
| 1 | Thermometer screen (Dry bulb, Wet bulb, Maximum, Minimum), | All instruments must be calibrated and certified by Indian Meteorological Department, Pune |
| 2 | Wind vane, | |
| 3 | Cup Counter Anemometer | |
| 4 | Open pan evaporimeter | |
| 5 | Rain gauge | |

It is therefore requested to supply sealed quotations for above mentioned instruments on or before 19/10/2019 in the name Associate Dean. KNPVCVS, Shirwal. Please mention "Quotations for Surface Observatory for ICAR-AICR on Pig" on envelop.

The rates should be inclusive of all taxes and FOR Shirwal. It is government institute and only 5 % GST shall be charged. The institute reserves all rights to accept or reject any quotation without assessing reason.

Thank you.
