### **Storytelling of Science and Conservation**

**PRASENJEET YADAV**  
 National Geographic  
 Photographer and  
 an Explorer

Date :-  
**02<sup>nd</sup> October, 2020**  
 Time :-  
**16:00 IST**

Prasenjeet is one of the very few photographers who integrates science deeply into his photo stories. He chooses ignored subjects, landscapes, and species and find ways to develop engaging and accessible photos. For every story, he collaborates with researchers, managers, policy makers as well as conservationists. Along with the larger stories, he also produces stories directed at specific audiences who can create lasting change.
